AMENDMENT AND RESPONSE

Hon. Asst. Commissioner
of Patents and Trademarks
Washington, D.C. 20231

Sir:

In response to the Office Action dated September 11, 2000, please amend the
present application as follows:

IN THE CLAIMS:

Delete claims 85-98 without prejudice. Applicant will prosecute the subject matter of claims
86-97 in a separate application since they relate to an invention distinct and independent
from the invention recited in claims 1-84 and 99-103.

-
1. (Amended) A compound comprising
at least one monomer or polymer comprising:
